Dennis brought up that we were painting. He had talked to Mel about painting the curling side of the rink. Dennis said that it would be okay if we painted the red around the windows and doors grey to match the rest of the building. Brianne said she would let Mel know so when he paints he paints it grey not red.

4d) Rental Rates

Brianne printed out the rental rate sheet and we went over how much we should increase the rates.

Please see below the proposed rental rate increases.

4e) Advertising

Brianne brought up again that the new zamboni is in. Redline and Tempo were interested in the advertising for the new zamboni they had reached out to Brianne. Grant said that we should offer Tempo and Redline the chance to have their advertising on the zamboni first.

It was agreed that brianne would send out letters to Redline and Tempo. Two weeks later she would send a letter to the rest of the in town sponsors who have wall signage in the rink to see if they would be interested.
