

Riverdale Recreation Advisory Board Meeting Minutes

Date: October 13, 2020
Meeting Start Time: 5:34pm

Attendance: Kenzie M., Everett S., Ron C., Richard B., Laura G.,
Regrets: Meg V., Dennis V., Grant G., Jamie M., Al M.,

Facilitator: Laura G

1. Approval of Minutes

Review the September Minutes

Motion: Accept the September Minutes as presented to Board → 1st Kenzie, 2nd Ron → carried

Review the Riverdale Recreation Commission financial statement

Motion: Approve Payables (Chq 425-430) & accept the September Financial Statement as presented to Board → Ron, 2nd Richard → carried

Review the Riverdale Community Centre financial statement

Motion: Accept the September Financial Statement as presented to Board → Everett, 2nd Ron → carried

2. Reports

Facilities Report

- Happy with ice
- Parking is allowed in the North Parking Lot. We will change the direction of the flow of traffic. Traffic will not travel past the Zamboni path or along the East wall for the Health and Safety of all patrons
- Ref Clinic was cancelled in Rivers
- Curling AGM is October 14, 2020. Rivers Curling Club is scheduled to have ice ready first week in November
- Board is receptive of live streaming the hockey arena

Programming Report

- September report was printed, Laura will send the correct report with the October minutes.

3. Old Business

4a) Canteen

- Remove debit machine as canteen does not need it currently

4b) Advertising

4c) Restoring Safe Services

- Changes to rules: IF POSSIBLE, only allow 1 caregiver to each on ice participant. If we are under capacity when games start, we will look at loosening up the rules. It is easier to start strict, and modifying from a high standard, then set the bar low and try to tighten the rules.
- Masks can be removed once seated & please do not congregate in high traffic areas. After dropping off/assisting child you must report directly to seating area.

4d) Fogging machine

4e) Community Skating

4. New Business

5a) Remove Brianne Signing Authority

- Motion: Remove Brianne Gatzke from Riverdale Recreation Commission WCU Bank Account → Kenzie, 2nd → Richard, carried

5b) Grants

- Project: Touchless water bottle fill stations – applied to RACF (due September 30)
- Project: Lighting at Millennium Park – applied to RACF (due September 30)
- Project: Live Streaming at RCC – applied to ECSF Phase 2 (due October 30)

5c) “Acres of RCC”

- Riverdale Municipality owns 50-75 acres of land by the Municipal dump. Council has requested RCC to farm this land to generate extra income for the community centre. A committee will have to be formed. Councillor Dyer was looking at spraying it for fall. We need to look at reaching out to champions who could volunteer/donate materials/supplies needed. Laura will follow up on creating a sub-committee

5d) RCI Ice Request

- Taryn Luhowy of Rivers Collegiate has requested that he bring his Physical Education class to the hockey arena this year. As there is no Hockey Academy, or indoor P.E. classes Taryn hopes that he could use RCC as a way to keep his kids physically active in the winter months.
- Motion: Allow Rivers Collegiate to use the ice during school hours for Physical Education classes. → Kenzie, 2nd → Ron, carried

Open Issues

Kenzie reported issues viewing the arena calendar. Laura to look into cleaning up the back end of website to ensure no bugs on our end

Adjournment: 6.24pm

Next Meeting Date: November 10, 2020
