

HELGEY'S HOCKEY DRAFT 2022

We are excited to welcome the return of the Hockey Skills Academy for the 2022-2023 school year! With a program such as this, there is great potential for different drills, training options and program offerings. We would like to buy a SPARXX skate sharpening machine to ensure students always have skates ready for class, more drill training aids and some storage shelving for students to keep bags at the rink. The training devices would be used for classes and shared with Rivers Minor Hockey.

In conjunction with the Riverdale Recreation Commission, myself and Bruce Helgeson are organizing an NHL Regular Season Hockey Draft Fundraiser. All profits from the fundraiser will be donated directly to the Hockey Skills Academy program to benefit the students enrolled in the classes.

You are welcome to fill out as many of the box pool entry forms as you wish, with each entry submitted costing \$20.00. On the selection form, please select only ONE player from each group of five players. There are 21 groups, plus you can choose one WILDCARD player that is not available in the group selections. Also select two goalies from the goalie grouping. Therefore, you will select **24 players** total. Please select your team on the form provided and your team will be entered on the website for you. Deadline for all entries is **Friday, Oct 14th at 3:30pm**. Payment is due when the pool sheets are entered.

Each forward or defence selection will get one point for each goal or assist they score, plus a bonus point if they score a game-winning goal in a shootout. For example, if a player has 1 goal in regulation and 1 GW goal in a shootout, they would gain 3 points total for that game.

Goalies will earn 1 point for every win, plus two extra points for a shutout. If they score a goal or assist, this will also add to their point total.

Prizes will be distributed as follows:

1st Place: 25% of the total money collected

2nd Place: 15% of the total money collected

3rd Place: 10% of the total money collected

Last Place: you get your \$20 back!

50% of all total money collected will go directly toward students enrolled in the RCI Hockey Canada Skills Academy program!
